INSTRUCTIONS FOR POSTER TOUR MODERATORS

- You will lead the group of attendees around speaker-attended posters for a presentation followed by an interactive discussion with the poster presenters.
- Please be present at the allocated poster tour area 5 minutes before the start of the tour and wait for the chair/co-chair and other participants to join.
- Please ask the poster presenters to give a short presentation of approximately 4 minutes to present the highlights of their work.
- After the short presentation, you will moderate an interactive discussion with the presenter and participants attending the tour to further discuss the work.
- Please try and ensure the session begins on time and keep all presenters to their allocated time.
- Each tour has 2 allocated moderators - if one of the two moderators is not there for start, please begin anyway.
- Should a presenter not arrive for his/her presentation, please skip their poster, and continue with the next one scheduled.
